

CALIENTE HOG #2013

Calientegram – 12Aug18

We had a great ride today. Not sure but am thinking we had 20 something bikes and because we were the millionth customer at Sammy's in Castroville today, we all got keys to the city... Ok, maybe we had a tad less than 20 bikes but we still had a great breakfast. No keys either... Looking at our phones, it was apparent that the zombie apocalypse (weather wise) was about to unleash doom and gloom all around us so we decided to do a quick back area check ride of Castroville and then we headed home. Despite the short ride, all in all a good morning and no one got wet. Thanks Jack and Dave for sweeping for me.
