

CALIENTE HOG #2013

Calientegram – 14Oct18

Awesome response all weekend long from a slew of Chapter Members. It was truly appreciated. Demo Days was a huge success for the Dealership and it seems we might see more folks joining the Chapter as they liked what we did and want to be a part of it.

I sent out a separate email out to everyone IRT the Chapter Officers. We are always looking for folks to step up to the plate and take the reins for a year (or more). If you have been in the Chapter for several years, you have evidently decided to stay as you like what we do, the people you meet, and no doubt all my awesome jokes. Why not become a part of this and help us grow. Feel free to contact me at Director@calientehog.com so I can get with you about the different positions. You can also “google” the positions as there are a lot of hits on this subject from Chapters all over the map.

RIDE CALENDAR

21 Oct - Raul Memorial Ride. KSU 09:30. Call 210.681.2254 to preregister. \$20 for one \$25 for two up on one bike. Look for a great ride, a pin, refreshments, food, and a great sense of doing something as all proceeds will go to a number of charities. Remember that Raul was not only an employee of Caliente but also a long time Caliente H.O.G. Member. This will be an excellent way to do something in his honor. By preregistering, it assists the Dealership on how much food they need to order and other logistical details as you can imagine.

UPCOMING RALLIES AND EVENTS:

27 Oct – Employee Appreciation Lunch. Time to dust off your meanest, hottest, most awesome Chili recipes. We will do a taste test (votes coming from the employees) with a prize going to the winner. We (you) provide the chili, corn bread (etc...), and desserts. Lou, our Ladies of Harley Officer, has taken the challenge to head this up for the Chapter. We had some folks sign up to bring in chili and like items at the Social but we are looking for a tad more. Please contact Lou at LOH@calientehog.com...

The Chapter will provide bowls, spoons, tables, extension cords, power strips, crackers, soda, water, antacid, etc... Please mark your crock pots and serving utensils. We will set up starting at 10:30. The intent is to start serving NLT 11:30 so as to get all the employees through the line.

8 Dec – No, I didn't forget November. However, this is the date for our Christumas Party! MTF

DON'T FORGET: Volunteering, attending meetings (Social, RC meetings & Officers meetings), participating on chapter rides, will get you tickets for chances to get great prizes at the HOG Christmas Party.

Group Riding reminders/tips – Are you “one” with your bike? Consider practicing sharp, close turns. Can you do a 180 degree turn without going into New Mexico? Practice figure 8 turns in a parking lot and perhaps later a side street or your street if it is not a major artery for traffic. If you can do figure 8 turns on a normal street, you are better off than a majority of those folks out there riding.
