

CALIENTE HOG #2013

Calientegram - 10Feb19

ODDS and ENDS

Great ride today. Started off a tad cool and moisture was in the air but by later in the afternoon, sun came out and we were able to ride back with our shirts off getting some rays. Ok, a little embellishment here but we did ride 225 miles... I mean .225 miles to the Denny's almost next door where we had eggs sunny side up. Funny how important decimal points are, go figure. Anyway, my sweep, another brave chapter member in his pickup and myself solved all the worlds problems over breakfast. You can sleep well tonight. Stay tuned to the Calientegram for details on the next ride. F2

On an even better note. **It was announced last week that Caliente Harley-Davidson was named as the #1 Dealership in the Country! WOW! Kudos to Fred Bosshardt and especially to all the folks in the Dealership to make this happen. A true team effort that paid off. As the Dealership's H.O.G. Chapter, we dip our helmets to the Caliente team. F2**

The Valentine's Dinner was a success! We had 22 hungry chapter members that attended the exquisite Italian cuisine. The food and drinks were delicious along with the bread that seemed to be the highlight of the evening. The restaurant accommodated us very well with a private room, great atmosphere and excellent service. Prizes were given and valentine candy bags were distributed. Everyone had an enjoyable time. Thank you all who attended. Look forward to the next LOH chapter social event. LOH Kathy Williams
