ODDS and ENDS

Ride Summary for 032319 Ride

Towne (LRC) & F1 (SRC) lead 14 Caliente Chapter members (Towne & Bobbi, Arturo, Dave & Angie, Tony & Margie, Bob, Jamie, Chris & Kathy, Jesse, Jorge and F1) on 8 bikes and 2 trikes to visit & tour the K. Spoetzel Brewery in Shiner, TX.

Lunch was enjoyed at the Werner's 5-Ninety-4 Grill, also in Shiner.

The weather was overcast. Temperatures stayed comfortable. We did ride through a couple localized and quick sprinkles.

The Bluebonnets, Indian Paintbrush, Prairie Verbena, Poppy and a full assortment of yellow, purple, blue, white, red & orange colored flowers amazed our eye with their spectacular displays.

Total distance was 213 miles.

Total time was 7 1/2 hours.

Come out for our next Great Adventure Ride on Sunday, 14 April 2019; Pedro (LRC) & Jack (SRC). Destination TBD.

Ride Safely!

Ride Summary for 032019 Ride

Hey HOG Riders!!!

Spring is in the air..., finally!

Happy Vernal Equinox Day!

Today's Mid-Week ride had ONE rider. Yeah! I road 33 miles.

The weather cooperated; although it was overcast with scattered drizzle to start out. It eventually cleared up enough to let Spring-like Sunshine surround me. Temps started at 60°. By ride end it was 73°.

I departed Caliente Harley-Davidson at 10:20 (late due to an unsuccessful attempt to load the route onto my bike's GPS program).

I returned to Caliente H-D at 13:15.

I chose to ride on side streets through the Port of San Antonio and old Kelly Air Force Base touring the logistics and old base housing areas.

I arrived at Mission Concepción at about 11:35. After a self-tour of the facility and several photos (which were uploaded to the Caliente HOG Facebook page by Bobbi), I departed to go get some lunch at Tony G's Soul Food restaurant. I was there about an hour. The atmosphere was very nice. My meal consisted of Gumbo and blackened Red River catfish with fried cabbage. (It would be best if everyone stayed clear of me for awhile). Everything was delicious. I highly recommend chapter members give the restaurant a try.

I returned to Caliente Harley-Davidson; again using side roads.

Ride safely!
