The owners agreed to allow us to use the restrooms for changing into bathing suits if you want to go in the river. Those who want to get there feet wet may want to bring a bathing suit. There are facilities to change. (I plan on it) Arrive at the park by 11:00 AM and stay till 1:00 PM or so and head back via 35 south to the 410 and back to the dealer.

Fun and relaxing. No charge for parking or to play in the river. I plan on bringing two chairs strapped to the bike... Dave Lindsey

The purpose of this addition to the Calientegram is provide you my contact information so that you as Caliente HOG member can give me and the other Road Captains input for ride that you have discovered or would like to see considered and organized. Under the guidelines, Sunday rides are 100 miles or less and Saturday rides are 100 or more miles. With this in mind, pass on your suggestions and we will make it happen and come up with a plan of action that will make your time well spent.
