The owners agreed to allow us to use the restrooms for changing into bathing suits if you want to go in the river. Those who want to get there feet wet may want to bring a bathing suit. There are facilities to change. (I plan on it) Arrive at the park by 11:00 AM and stay till 1:00 PM or so and head back via 35 south to the 410 and back to the dealer.

Fun and relaxing. No charge for parking or to play in the river. I plan on bringing two chairs strapped to the bike... Dave Lindsey

So our journey started at Caliente HD. We had 5 bikes and 3 trikes. Total riders was 9 which one was a lady "Margie Garcia" who was surrounded by 8 knights protecting her at every turn.

We headed our Pearsall Rd and made way to Lytle over to Divine and then made way to D' Hanis. Had a small break and started out to some back roads through Vanderpool and road on FM 337 for a nice scenic ride through the hills to end up at OST restaurant in Bandera. Ate some great consumables along with handfuls of salt and stripping down to our Speedo's to cool down. At that point music started and people were whistling- not sure what that was about but, ok so we didn't eat the salt, moving on.... after we were done, we got on the road back to Caliente down Hwy 16. The heat was there but not too bad depending on how you dressed. Only had one hick-up on the way with a trike losing some clutch fluid and found out the cable had a hole in it when we got back to Caliente. But was a good ride of 200 miles
