ODDS and ENDS

KSU 0900. 17 attendees on 10 bikes and a truck. Weather was cloudy and warm. Devil's Backbone was scenic and fun. Arrived at Ivar's River Pub at 1100. Lunch was on the balcony overlooking the water. Food was very good. Our folks had two tubers floating in the river after lunch and about 5 swimmers. Tony and CiCi tapped out for more time on the water. Crew returned to Caliente at 1530. Great trip worth returning to in cages to enjoy the brews and have more tube time. Tony Williams.
