ODDS and ENDS

We had 7 bikes, 4 trikes and 16 riders gather at Caliente Saturday night. We set out at 5:00 pm heading out to Cora's 471 Grill. There was a run in with a car at the back where I was the sweep, luckily not in a physical way. A car was trying to cut me off after that turn-around leaving Caliente and I was just going to back off a little and catch up to everyone once getting on 410. However a biker that was not part of the Caliente group sped up around me and cut off that car from coming in and had a few choice words for that driver. He used his bike as a barrier and waved me to pass by. I appreciate his protection for another biker, but I wouldn't recommend any of us doing that, just let them in if they are that bent on getting in and catch up later. We had a total of 37 that met at the restaurant and was KSD at that point.

The LOH Event ride and dinner at Cora's 471 Grill was a huge success. We had 37 hungry chapter members attend the famous restaurant known for "The Best Nachos in Texas" where everything is made from scratch and prepared daily. The food and drinks were delicious. This place is family oriented with a nice atmosphere. The owner, Chuck was happy to meet and greet our Chapter members and accommodated us very well. He himself is a Harley owner and is a regular patron of Caliente. Everyone had an enjoyable time. Thank you all who attended and for supporting our LOH. Look forward to the next LOH chapter social event.
