

## **CALIENTE HOG #2013**

**Calientegram - 27October19**

### **CALIENTE HOG RIDE CALENDAR:**

**31Oct - Riders head to Galveston for the Lone Star Rally.** Inputs I have had for the Lone Star Rally has a group leaving out of Caliente at 08:30 Thursday morning. Am told that they are going I-10 most of the way. They will actually going into Galveston as the majority of this group is going to relive their days coming out of a hippie commune as they rented a house. Actually sounds like fun... They got a great rate on the place, although it seems like there was a triple homicide axe murder / body part harvesting episode there back at the turn of the 19th century... Something about doors opening and closing and sudden cold drafts but I am sure it is just bad insulation. First nite there is over Halloween but I doubt that has any play...

The second group will leave Caliente about 30 minutes later and will be heading to a hotel/motel complex between Galveston and Houston. Lori and I will be in that group as after having Francine running around my house this weekend, that was scary enough. We will start off on I-10 but will bounce off at Alt 90 and come in that way. Got a great rate at a place called the Bates Motel.

Feel free to join either group. I currently have zero input on anyone leaving on Friday. If I get anymore input, I will put it out to the group. F2, Frank Knapp.
