### **Tell me something good:**

A message to the Road Captains from your Head Road Captain Jack:

We are scheduled for a Road Captains Meeting May 9<sup>th</sup>. The Good Lord willing and we get the green light to resume organized rides. If we are allowed to assemble for this meeting, I would like for all RCs to have something firm WITHOUT dates to offer for rollcall. Please look at your planner books to see who has committed to a specific ride and have this in your "to go bag" whenever we can resume Chapter rides. IF we get back on schedule, look at some of the open spaces and see if maybe you can come up with a commitment.

I would also like for the RCs to furnish me with the following information if you want to give this out and send it to [jackpski@sbcglobal.net](mailto:jackpski@sbcglobal.net). If you need to phone talk, 210-393-2220 for any reason.

The [headroadcaptain@calientehog.com](mailto:headroadcaptain@calientehog.com) is routed to my e-mail address to simplify matters if you use that address: name, e-mail address, phone number contact, tee shirt size (surprise at the Christmas party).

Stay safe and remember this too will pass.
