

CALIENTE HOG #2013

Calientegram - 3May2020

Caliente H.O.G. Chapter Members -

Hopefully everyone is maintaining their sanity during this Pandemic. Let me take a moment here to hit on a few items. Starting off, a huge thank you to everyone who participated on our tribute to Bea and in support of Pete on Saturday. By the end of it all, we were somewhere just under 60 bikes and cars with roughly 80 folks attending. You guys always step up to the plate and this was no different. Special kudos to the Lytle PD who escorted us. Thanks also to my sweep, Tony Williams, who volunteered to help me out.

With everything still in flux health wise, the decision has been made to push back our next Chapter meeting to June. More info to follow as we move down the line. Along these same lines, we are going to cancel our Chapter picnic in June as well to be on the safe side.

One of our bigger things coming up future wise is our planned trip to Big Bend in Oct. over the Columbus Day Holiday. My thoughts are that when the National Parks open up, they are going to get busy. The major muscle movement for us will be hotel/motel reservations. My intent is to block out some rooms (soon) but I need a decent number to work with. I ask that you all look at your calendars and see if this long weekend trip is something you are planning to attend. If so, shoot me a

quick note so I can tally you in. My email is Director@calientehog.com .

I will close this out by saying, get out and ride. Not too many other ways out there to get out and clear your head. There are a number of you doing this already and there are some informal ride groups that have been created amongst you. Seek them out!

Regards. F2 Frank Knapp, Director, CCSA

Pete wanted me to let you know he really appreciated seeing all of those who were able to participate in the ride on Saturday. He was overwhelmed by it all. The outpouring of love he has received has been tremendous. Thank you to all.
Diane
