

CALIENTE HOG #2013

Calientegram - 10May2020

Happy Mother's Day to all of our moms and the mom's within our Chapter. Love you all - Diane.

Hey there Chapter Members, we have an opportunity to make a young lady's birthday a day to remember. Her mom contacted Caliente IRT the H.O.G. Chapter asking if some members of our H.O.G. Chapter could do a drive by to help her family celebrate her 13th birthday. They had to cancel the actual birthday party and are trying to find ways to make her day. Of course, I cannot commit as we have officially suspended operations at least until next month. We also don't normally do things like this but we have never had to deal with a pandemic either. However, sometimes it is the little things in life that bring the greatest joys and memories and I know that many of you are looking for any excuse to get out and ride.

In this case (like all activities), as the Director, I conduct a risk assessment on any functions that involves this Chapter. I feel that participating in this drive -by, has little risk as there will be no personal contact and all other risks associated with riding motorcycles are no different from how we routinely do business anyway.

So in the end, we make the day for this young lady and her immediate family which is the primary deal. I also feel that the positive message we send to the community by our doing this event, will do a number of things for our Chapter. It is a plus not only for the motorcycling community at large but specifically to H-D, the Caliente Dealership, and specifically our H.O.G. Chapter. I will also state that it gives us as a chance as a Chapter to re-establish

contact amongst ourselves and practice social distancing as we fist bump and play elbow tag.

Before I commit to this endeavor, I need some feedback from you. I ask that you e-mail me (director@calientehog.com) by lets say noon Tuesday if you plan on attending so I can get back to this young lady's mom as to if we will be participating. The event will be on Saturday, 16May. I am looking at meeting up at Caliente with a KSU of 6:15 pm. From there, we will meet up with the rest of the family and friends who are participating with this event and look to be driving by this surprised young lady at 7:00 pm. When we meet up, we will get more info on where they would like us in their formation and other particulars. I anticipate only one pass by the house but we will see what they want to do when we meet up. We do the drive-by and from there, we are mission complete and you can scoot back to home. Let me hear back from you.
Regards. F2 Frank Knapp Director, CCSA
