ODDS AND ENDS

27June (Saturday) – LRC Dave L, SRC BT

A dusty, hazy day in old S.A. Town. As the gritty Saharan dust hung in the air, 8 bikes and 10 loyal HOG members saddled up and set off on a ride to the beautiful Texas Hill Country. The start was a bit jerky as an errant jacket departed one of the bikes and caused us to stop just after turning under the underpass. The "cage" traffic was most appreciative of our efforts to retrieve the jacket as they applauded us with their horns and finger gestures telling us we were #1. The remainder of the ride was uneventful, reaching Ivers River Pub just in time for lunch. LRC called KSD and we stayed outside in their garden and enjoyed nature, looking at the river and socializing with one another. The food was great! Saw lots of chicken-fried-chicken, chicken-fried-steak, pub burgers and catfish ordered up. Our server was great, having been on the job only 4 days. She saw to it we wanted for nothing. It was a nice hour or so of rest before challenging IH-35 and the ever present haze coming home. A good ride/BT

FYI If you are coming up for drivers license renewal, you might want to go to <http://www.dps.texas.gov/DriverLicense/renewal.htm>. This site will list all acceptable documents that you must bring if you are not edible to renewal on line. Things have changed greatly.

Stay safe, hydrated and ride lots. Jack P.
