At our last meeting, I mentioned that we will be taking orders for Name Tags. We now have the minimum number needed, so you will have until our next meeting before the order is placed. You can put your real name and road name, first name only, first and last, whatever you choose. Just send me a note at secretary@calientehog.com Please include the following: Name (your real one), Phone #, and name on your name tag. Thanks Diane

We are consolidating the ride calendar and look for the update on Wednesday. By next week, I look to have an update on Dealership themed events previously scheduled through the end of the year. A lot of moving parts here due to the pandemic and we will adjust as conditions merit. As a reminder, the Big Bend Trip is still a go (October 9, 10, 11, 12). Access to State and National Parks are currently allowed but like everything else, we will monitor all of this to ensure that if conditions change we can adjust as quickly as possible. However the Lone Star Rally in Nov is canceled this year. Appreciate the turnout at our meeting/social on Saturday. In talking with many of you, I am glad that everyone is still plugging along. As you visit the dealership, ensure you swing by and say hello to John Canales, the General Manager, Dave Daniello, the Sales Manager, and the many others who are recent additions to the Caliente Family. Special shout out to Christina Olivia and the rest

of the General Merchandise crew for keeping us up to date on the latest stuff coming out from H-D. Look for Johnny Perez on the Sales floor. We wish him success in his new position. Of course, a hello to the long time staff is always appreciated as well. As always, we appreciate the great support from the Dealership!

Regards,
F2
