Deadline for submitting your pictures is fast approaching, 11/02/2020. Anyone find a non-chain donut shop or Mom and Pop grocery store yet? We will accept reasonable substitutions. Send to [activities@calientehog.com](mailto:activities@calientehog.com)

Hope you are having fun. Thanks, Bobbi.

It was 45 degrees at KSU but five bikes and 4 trikes for a total of twelve riders and back seaters started out to fight the chill and wind. Robert Jimenez stepped up as SRC for our journey to Lost Maples State Park. Despite getting day pass reservations and paying all the fees, we were unable to get into the Park due to overcrowding and not getting on the entry list. Not too much was lost since the trees were still green. Better luck next month I guess. Very quickly everyone voted for lunch at the Bent Rim giving us a taste of Three Sisters on 337. Not getting enough wind in our faces, but it had warmed up, we went through Uvalde and jumped on 90 for a safe return to the Dealership with 210 miles registered.
