12 December -Annual Christmas Party at 6 p.m. Decorating at 9 am. Tickets are \$20. We sold tickets yesterday and the drop dead date is our next meeting. If you plan on going and did not get a ticket at our meeting if you could reply to this email and let me know if you, spouse or guest will be attending. I need to get a head count for food, tamales and setups. Bring a white elephant (new) gift if you wish to participate in this exchange, \$20 value.

18 December - 24December - Gift wrapping at Caliente. We will have the sign-up sheets at our December meeting.

ODDS AND ENDS...

Thanks to everyone who assisted with our cookout after our social/meeting. Quick thanks out to Liz and the crew at Caliente for their "fashion show" and making our day complete

with the gifts from the Dealership. I am really thinking the "strip" cribbage game is going to catch on. Also a shout out to welcome the new folks at Caliente along with good luck to those who have shifted positions within the Dealership. Last item of thanks goes to long term Chapter Members, Merry and Pedro Carrazana, who provided us with a significant number of gift cards. Very thoughtful and well appreciated. The weather has been awesome so I am hoping everyone is getting out and about on their scoots. This is undoubtedly the best time of the year weather wise so take advantage of it. Now that it is getting cooler, if you have some leathers, you may want to treat them to help them shed water and to recondition the natural material. Don't forget those leather saddlebags! Diane has the tickets for the Christmas Party and starting the next meeting, we will also start taking our Ride waivers for 2021. I, like many of you, are looking forward to seeing 2020 in our rear view mirrors. See you on the road. F2, Frank Knapp, Director, CCSA

A beautiful crisp morning as 7 HOG members and a visitor saddled up for "Brunch in Bandera". KSU at 1000 AM and off we went. We took the direct route to Bandera via HWY 16. Two members taped out early on, leaving 6. HWY 16 is almost free of constructions so it was pretty smooth riding after escaping the stop light traps in Helotes. The OST Café was busy but a call ahead cleared us in almost immediately. Some folks had breakfast, some had lunch but either way the food was "down home" good and the service was great! The return ride via HWY 173 S was much warmer and very smooth riding. A short stop in Hondo to check that everyone was ok then on to SA on HWY 90 and IH-410. Arriving at the dealership around 1:45 PM. All total about 110 miles. A short relaxing ride does wonders to clear foggy brains. A short trip, short write up. ☺ BT
