**Membership Renewal** - It is that time of year to renew your membership. The cost is \$25 for the year. National Membership needs to be active in order for you to be a local chapter member. Each and every member needs to sign a new application for the 2021 year. It is recommended that you bring cash as all checks will be held until 2021. I have attached an application for your convenience. The date on the application should be 1/1/2021 or later.

Thank you to all that attended the ornament decorating event last Saturday. There were 13 folks in attendance enjoying the cocoa and sweets. Also Thank You to Abby and Arturo for hosting this event.

**Today's ride to Center Point Texas.** As the year has gone, the day broke out in heavy fog and a bit of rain to throw doubt in the excursion scheduled by the H.O.G. Chapter. In route to the dealership, I swear I had to dodge a tug and Freighter headed to LA. Tony, however, noted that a group of children were stranded at Tuscan Jim's establishment of food and drink. Concern for the children stranded at a bar, we did the Texas thing and mounted up, laid rubber in the parking lot and ventured forth. After an hour in the mess, powers that be noted that our mission would not be detoured, cleared up the soup and water for a splendid day indeed. Great weather, fun roads and an innate need to save the children from the demon run of the tiki bar, we pushed on avoiding deer and hogs on the route. After throwing the kids out, we had lunch, and headed home to the dealership. The look on the donkey's face, getting "some some" made the route worth the trip. In the neighborhood of 160 miles, two real riders on bikes and 4 others on trikes left on the adventure and all returned, safe, sober, and excited about live music at the dealership, still talking about the donkey. And that is what legends are made of.
