LOH sponsored Western Sweetheart Ride and Chow. Yee haw 🤠. Cowgirls rustle up your partners and join the posse for a shindig full of yummy chow, group fun, and great company at Maverick Grill & Saloon. Don't have a sweetheart, then just come for the grub and shoot the breeze. And if you won't be a trail rider following the drover, then mount your wagon and meet up with the posse at KSD 12:45. If it rains or it's too cold, we'll all meet up at 12:45. This will be a repeat of our previous valentine dinner. We'll be having a hog-killing time. So take out your best bib and tucker - polish your boots, dust off your hats, tie your neckwear, and buckle those jeans because best cowgirl AND cowboy outfits win a prize. Give me a shout if you have any questions. Abby RSVP to LOH@calientehog.com Maverick Grill & Saloon, 6671 US Highway 181 North, Floresville, Texas

Today's ride will be one of those where many of you will have wished you didn't hit the snooze alarm. Beautiful day from start to finish. Towne led the ride after doing a pre-ride with Mitch the other day. Thus everything went off slick as ice. No issues on I-410 or even the dreaded I-35 but we were soon off the major roads once we hit New Braunfels. Headed out with 13 bikes and trikes along with one car. 20 intrepid adventurers all told. River road, as always, was magnificent in both the many turns and the scenery. A lot of fellow bikers on the road today all waiving as we passed each other thus showing an excellent biker camaraderie. Made it out to Canyon Lake where we met up with John Canales, Caliente's General Manager, and we all broke bread. Nice way to show John who we are and vice versa. Was hoping he would spring for lunch but he stated that he left Fred's Credit Card back at the Dealership, Oh well. I think he enjoyed our company as we did with him so I am thinking we may see him on a Sunday ride in the future. Hopefully as a Chapter, 2021 may be the year where we can prod some of the other Caliente employees to come out and share the road with us as well. Gave a facetime shout out to Rick who was getting a Swedish Massage or some sort of medical treatment, or perhaps even relaxing watching the football game, screen was kinda small but whatever... Good to see him though and we are all looking forward to his return. Heard no complaints over lunch and it was time to get on the road. From Canyon lake, it was all downhill past Camp Stanley to I-10 where we headed back to the Dealership. Most of the crew tapped out as we worked our way into San Antonio but overall a most excellent ride. Kudos out to Dave Lindsay and Chris Williams who did some ad hoc "Rover" duties to keep us all safe. More rides coming so stay tuned to the Calientegram. Of note, this is the time of the year where it can be downright cold in the mornings but tends to warm up to almost T-Shirt weather by

early afternoon. Temp swings of 40 degrees are not uncommon so dress accordingly (think layers).
Have a great Holiday and on behalf of all the Caliente RC's, we look forward to seeing you on the road.
Regards, F2
