TEXAS HILL COUNTRY H.O.G.[®] TOURING RALLY

Austin, TX > San Antonio, TX – It will end at Caliente on Thursday. Details to follow.

Log onto hog.com to complete your registration.

Springtime in Texas is designed for riding. We will be making three different loops out into the glorious Texas Hill Country with each night ending at a Harley-Davidson dealership where that good ole' fashioned Texas hospitality is as big as the Texas Star on their state flag. Texas is rich in history; while we will only be able to touch a little of what Texas is all about, what we do touch will be amazing and memorable.

With the picturesque roads you will be on between stops, you will be entertained with the endless beauty of spring in the Texas Hill Country. If there is a wet winter, expect to see and smell an abundance of wildflowers including their famous Texas Bluebonnet.

If you are playing the 50 Rides, 1 Nation H.O.G.[®] challenge, you will have the opportunity to visit

one location on this rally (The Twisted Sisters).

Four days, three nights - Austin, New Braunfels, San Antonio (both north and southwest side).

All H.O.G.® touring rallies offer the opportunity to map your own route and choose what sites to see along the way giving you plenty of freedom to make it your own ride. But if you follow the suggested route below you will be guaranteed one of the best riding experiences of your life.

ODDS AND ENDS...

May the luck of the Irish be with everyone that helped out the Chapter yesterday at the fundraiser. We were very successful and I could not have done it without you. Checked in with Katy and Lou and they are on the road to recovery. And Gene, our very own version of the Energizer Bunny, thank you.

Irish Blessing

May the road rise up to meet you,

May the wind be ever at your back.

May the sun shine warm upon your face

and the rain fall softly upon your fields.

And until we meet again ,

may God hold you in the palm of his hand.

Thanks, Bobbi Burt, Director, CCSA

RIDING THE OZARKS H.O.G.[®] TOURING RALLY

Little Rock, AR > Rogers, AR

From the twisty Ozark asphalt and rolling mountains to the Pig Trail, it is safe to say that Arkansas and Missouri were made for motorcycling. There are many reasons to explore this area on two wheels, but the motorcycle-friendly attitude is very appealing and that is why we have selected the Ozarks for our touring rally. That and, of course, the sprawling mountain views, wide open scenic landscape, and all the fresh air that country life has to offer. We have selected a route that winds its way from Little Rock, AR to Springfield and Joplin, MO and ends in Rogers, AR. Along the way, your ride will take you through shaded forests, on rolling hills, and across streams, lakes, and rivers too numerous to mention. Motorcycle destinations include Mountain View, the Pig Trail, The Buffalo National River, and Eureka Springs.
