Hog Chapter Ride: 9 May 2021, LRC: BT SRC Mitch

Destination: Sammy's restaurant, Castroville, TX

Our Mother's Day ride was a great success. We departed the dealership at about 0930 with 15 riders and 6 passengers for a total of 21 folks, which included 4 non-members and 2 members in a cage. A whole lot more that I really expected, but a pleasant surprise. Weather was overcast and made for a great ride in the cool air. The first leg of the ride to Sammy's was mostly via FM 471. About 35 miles of open, green farm land, no muss, no fuss. We arrived about 10:30 and they had 3 tables set up for us. One jolly old member decided to mess with our server but she was on his case like a chicken on a June Bug. Very funny. The restaurant was starting to get really busy with the Mother's Day crowd and after church crowd but the staff did a great job of getting us served with various breakfast and lunch orders. The return ride was short and sweet, Hwy 90 East to IH-410, to the dealership, about 20 miles. All in all a good ride. Thanks to everyone. BT
