Odds and Ends

On Saturday 7/24/2021 a group of 12 riders headed to Medina Apple store. A total of 4 Trikes and 6 bikes with 2 passages. We were lucky to have 3 visitors with us with one couple from another HOG chapter in Florida and one non-HOG member. We were all blessed with ideal weather. Warm but not too hot with a nice cool breeze. David A., LRC outlined a great ride of 158.1 mile total round trip. We left Caliente H-D at 8:55 then 48 miles later we made it to the shell station in Bandera. On the way there we passed an event going on at the courthouse block and even saw a longhorn bull. After a 25 minute break we then headed out on a very curvy and challenging ride with beautiful views along the way. Roads were mostly clear and many of the back roads were somewhat narrow without a centerline. Only a few road hazards mostly animals that did not make it across the road. We then continued to the Apple Store in Medina and arrived at 11:28. Everyone enjoyed a meal and fellowship at the Apple Store. We headed out at 1 pm towards Caliente in a more direct faster route. Only stopping once again at the Shell station in Bandera for 10 minutes before arriving at the dealership. Those who came back to the dealership arrived at 2:13 pm for a total of 5 hours and 28 minutes. On a personal note, this was my 1st time to the Apple Store and this was one of the most enjoyable rides I have been on. The food was greasy but extremely good. Misha Misaki
