#### **Odds and Ends**

7 souls and myself climbed aboard 5 Bikes and 2 Trikes heading for the Empty Cross in Kerrville, TX in the middle of the night. Okay KSU was 6:00 am. We were enjoying the cool air and comfortable ride until we hit the other side of Boerne. It was then noted that we were heading into the Hill Country and the choice to wear a short sleeve shirt with no jacket or additional outer clothing may possibly have been a mistake as it was a tad chilly. The sunrise we all had hoped to see was quickly trashed by the number of clouds in the sky only catching small glimpses of sunshine as it rose. The group then proceeded to Cracker Barrel Country Store for a bit-o-breakfast. We then proceeded down Highway 173 to Highway 16 arriving back at the dealership approximately 11:00 am. A big thank you Dave Lindsey for setting up and leading the ride even though it was the middle of the night.
