Odds and Ends

Today might've been our chapter's last 'brisk' ride of the year. Those who rode know that it was near freezing when we left our homes; but by the start of our ride at 10:10 this morning it was 42°. The ending temperature was 68°. The sun shone brightly on us as we cruised up interstate 10 past Boerne. Three trikes and five bikes with a total of 10 riders rode up through Sisterdale and Leukenbach to Highway 290 and turn to East and went and visited the Wildseed Farms and sample their jalapeño dip.

Next we double back to the Alstadt Brewery for lunch only, to be told there was a two hour wait. So, we continued West towards Fredericksburg and stopped at Mamacita's Café for some Mexican food. The food was great.

Our windy return ride was South on the Old San Antonio Road and The Old #9 RR route into Comfort. There we got back on I-10 and headed into San Antonio & Caliente Harley Davidson. We returned at 16:15.

Bob Baert rode Sweep in training with Towne; While Jack with Lupe as his passenger was our Lead. All-in-all, it was a great ride with great food and camaraderie.

Ride safely! Towne

Kudos to Lou Neuman for his Yankee ingenuity. One of the Pan Ams lost a heat shield on the road to Caliente on Wednesday. There was a Navy Seal in danger of getting his frogleg fried. What with the bike so new parts are not readily available. In steps our Lou with the solution. Thanks, Bobbi

PLEASE note that the fundraiser for Humor for Heroes has been changed to June 4th.
