

## **Caliente Chapter San Antonio (CCSA) - CALIENTE H.O.G. #2013**

### **Calientegram – January 7, 2024**

I hope everyone had a great holiday and New Year's celebration.

I just wanted to thank all who came out for the Chapter's fundraiser. We did not have as many bikes as last year, but it was still a success.

Remember to renew your National HOG membership. Also, when you purchase items from the Harley Site or the dealer make sure that they have your national HOG membership number attached to your account so that you get points which will revert to money off on the Harley site. I just found out that Katy has accrued \$55 just from purchases from Caliente. You can track it on the Harley Davidson App.

I would like to thank all of our officers stepping up and taking either new positions or renewing their old positions. Bobbi and I have switched positions, thank you Bobbi for taking the Assistant Director position to help me with my new role.

I would like to welcome Tony Williams as Head Road Captain. It is not an easy job, but let's all pitch in and give him a hand. Let him know of any destinations you would like to go to or even if you would like to plan a route somewhere. Also welcome Brad Hoisington as the newest Road Captain.

Let's make this a great year to ride. If anyone has any ideas for events/rides please let one of the officers know, as we are open to all ideas. We are all here to work together. Thank you all for your support and I hope to see everyone out on rides. Lou Neuman, Director, CCSA

Happy New Years! Here is another great year of riding. I just wanted to remind everyone that if you haven't already renewed your chapter membership it's that time again. A copy is attached for your convenience. Also please check when your national HOG membership is due. Katy, Membership Officer

### **CALIENTE H.O.G. RIDE CALENDAR:**

**Caliente H.O.G. sponsored rides are a Closed Event**

**For all Rides, you are required to be there 15 minutes prior to KSU (Kick Stands Up) so that you can get signed in and attend the pre-ride briefing.**

### **RIDES & EVENTS**

**January 14, 2024 (Sunday) Ride – KSU 11:00 a.m. LRC F2, SRC Jack –** We will be going to Hermann and Sons in Hondo. We will take a roundabout route via Houston, Dallas, El Paso, and Del Rio. Figure a 3 day trip.... Ok maybe not via those locations.... We will take a roundabout route though that will put on 60 or so miles getting there and it will take us roughly

90 minutes. Just got done riding it to ensure no surprises on the route. From there it will be a straight line shot back to Caliente via Hwy 90. Mileage should be right around 100 miles so no gas stops unless someone shows up riding a Sportster with a peanut tank. Short, sweet, and fun for a Sunday ride. F2

### **Odds and Ends**

January 1, 2024. At 1003 hrs 6 bikes and 6 trikes were started for this ride. Eleven riders and two passengers made the ride in 50 degree weather for the annual CMA blessing of the bikes. All arrived safe and in time for coffee or tea before the event started. It was KSD at the destination, so some stayed to socialize while five moved on to Denny's in Boerne for brunch after the event. Good job Brad! Hope to see more people going next year.

> Jack
