Odds and Ends

Please keep Mitch in your thoughts and prayers. He injured himself on the job and is now back in San Antonio awaiting surgery. Let us know if you need anything.

Ride 3/2/24 - What a BEAUTIFUL day for a long ride!!! 6 trikes, 1 bike, and 8 riders took advantage of the perfect clear weather to ride the famous Texas twisties. Temp at KSU was a brisk 56°F but warmed up into the 70s by Leakey. Traffic was minimal (mostly other bikes/trikes also enjoying the weather) and the scenery was as good as it gets up there. Lunch at the Bent Rim was as usual and we met up with Danny & Margie there. They rode back with us to Hondo then tapped out. Jack did a great job as sweep. 305 miles RT, KSD was 1600. For those who came with us, check out your ride pic at www.txmotofoto.com. (2 Mar 24 at about 1021) Prices are very reasonable.

Thanks all for coming out on short notice! See, your survey feedback for ride ideas is heard and appreciated!
