### **Odds and Ends**

**Ride** Seven trikes and one bike with a total of 11 riders and passengers dared the elements to ride to the Hanger 6 Café in Uvalde on January 28<sup>th</sup>. There was fog and a light mist in the air with fairly wet road until we passed Castroville. After Castroville the weather and roads cleared up. When we arrived at the Café, we were greeted at the door and shown to our table that was ready for us. The service and food were both outstanding. After lunch there was a quick on-the-job training session on how to jump start the newer bikes without using the pig-tail or taking the seat off (thanks Jack for letting us demonstrate on your trike). Afterwards we were able to tour a hanger full of beautiful vintage aircraft that were meticulously maintained. The ride back was dry until we hit the Bexar County line where we ran into some pretty heavy drizzle for the

remainder of the ride. Total trip time was 4 hours and 30 minutes, with 2 hours and 40 minutes "in the saddle" for a total of 149 miles. Thanks to Tony for leading us on this ride. Bob.
