Odds and Ends

It was a beautiful cloudless sunny day – a perfect "spring" day to ride! 13 members on 5 bikes and 7 trikes thought it was a great day for a ride, including some riders who we haven't seen in a while! The morning started out brisk at 59F. Once we got out of the city traffic, our route went on scenic country roads. By the time we hit our gas stop in Bergheim, riders were shedding their heavy jackets. The back road from Kendalia to Blanco was a fun twisty and hilly road with lots of scenery to enjoy. The back road north from Blanco to Rt 290 was twisty, scenic, bumpy, and even gravelly in one stretch. In Hye we literally rode into the middle of the annual Scottish Highland pre-qual games at Rt 290. The smoother trip into Johnson City was welcomed. We had a short wait for lunch at Pecan Street Brewing then visited the historic Vintage Motorcycle Museum where many models of bikes and manufacturers were on display, including a 1942 H-D WLA in full WWII kit and a H-D panhead formerly owned by Jesse James, the famous custom bike builder. The ride back to Caliente involved construction delays on Rt 281 but was otherwise a nice cool ride. We ended the ride with the temp up to 85F. Tony was LRC and David did a great job as SRC. Most riders appreciated this classic Towne route. Tony
