### **Odds and Ends**

Three bikes and seven trikes for a total of fifteen riders started out promptly at 9:30 am. Destination Fredericksburg and the Willow Loop. The 65 degree temp to start out with did

not break the spirits of anyone and the return at 4:40 was a little warm at 85 degrees. The ride up I-10 to the Fredericksburg exit was pretty smooth with just a little construction. About an hour on the Willow Loop and it was time to pull into the Altstadt Brewery for really good food and conversation. After lunch we returned to the Dealership using back roads to complete the 195 mile ride. As always Towne did a super job planning the whole ride. Jack P.
