### **Odds and Ends**

Ride 4/2/23 - Well, many of you in your haste to hug that pillow just a few minutes longer missed a ride that went off without a hitch. 25 bikes....oops I mean 5 cycles (2 x 2 wheelers + 3 x 3 wheelers) along with 27...oops I mean 7 riders spread Caliente H.O.G. pollen to the east. We rode just under 3,000 miles and were back by 3:30 or so. The weather was incredibly cooperative with it staying heavily overcast (absolutely NO rain) right up to the end. Temps stayed in the high 70s / low 80s until the last leg of the trip as we came back into San Antonio proper. At that point, the sun came out from behind the clouds and the temps rose a tad but the knowledge that I had a mini fridge full of cold beer kept me motivated to achieve that KSD nirvana. I suspect the other riders were thinking of what they had in the fridge at home as well. Consider what the temps will be in the coming weeks that will last until late fall. Yep, you missed a good one as we hardly broke a sweat. The scenery was awesome and any stress anyone was feeling at the beginning of the day that had been building since the last time they were on their scoot, long since ebbed away by the time we ate BBQ up in La Grange. Of course, stress relief and rider camaraderie is exactly what these rides are striving to achieve. So consider that there are some incredible rides coming up over the next few months. Wipe the dust off of your scoots and get out for a day of 2 or 3 wheeled motivating stress remediation. This is a riding Chapter so get out there and ride. Lastly, mucho muchly thanks out to Towne for being an excellent sweep. Hope to see you on the roads. F2

4/1/2023 No HOG Chapter fundraiser was planned for April, so the Chapter met after our Social to ride over to Sandia's Mexican Restaurant on Callaghan Road. The short 3 mile ride started at 12:34 and ended at 12:45, at the restaurant. Four Bikes, six trikes and four cages loaded with hungry bikers were treated to a delicious Mexican venue. Service was great considering the waitresses had 18 of us to attend to, all on One long table! We went our own ways with full bellies, after an hour of great conversations. I like this venue (we were there once last year) and recommend we make it a habit to Ride & Eat, if we are not burning burgers & hotdogs...! Accolades go to Arturo for taking the Lead on this ride! Ride Safely! Towne
