### Odds and Ends

Thank you to everyone who joined our last minute Father's Day Ride. We had 5 Trikes and 1 Bike. Lou took us on an adventurous ride that had us traveling over bridges, highways and backroad alleys. We had to steer clear of the buffalo and antelope that kept trying to get in our way.

After riding for an exhaustingly hot 18.1 miles, we all took the opportunity to bond and enjoy each other's company at Sammy's in Castroville. We came to learn from our waitress that both Jack and I are "Bi" customers because we are "Bi" ourselves. We both disagree completely. Lol. We headed back to the dealership to do some last minute Father's Day shopping before going our separate ways.

The total trip length was 36.1 miles (not 36) starting out at 80 degrees and ending back at the dealership at 11:11am with an 86 degree temperature. We definitely beat the heat and had an amazing time together. Brad H.

**T-Shirts & Name Tags - Have been ordered and will hopefully be here before our next meeting.**

If you have not already paid the T-Shirts are \$30 and Name Tags are \$10. I will let you know individually what is owed on the items you purchased. I will collect it either at the next meeting or if you want to do a payment over the phone, I can take a credit card. Just let me know. Thanks, Diane 210-260-0607.
