Odds and Ends

Our Chapter Ride to Roy Maas Youth Alternatives (RMYA) campus out in Boerne was a big success, despite the blistering chill (43° to 45°) and damp air (precipitation 99%). Four Chapter and one guest layered up to escort Santa and this trailer filled with presents for all the many children who will be spending the Christmas holiday at RMYA and 2 additional Chapter riders followed in their a cage. They were the smart, warm & dry participants on this trek!

We were able to meet and greet several of the youth. They were especially thrilled to sit with Santa and reveal what they wished they might receive on Christmas morning.

Thank You to LRC: Towne & SRC: Tony for ensuring the ride route was safe. It was only 56 miles round trip, but worth it when we saw the joy in those children's eyes.

Ride Safe & Take Care! Towne

I have a few extra t-shirts available for \$30 each. We have 2 different colors available – charcoal with white writing and a light gray with black writing. First come, first served. Send me an email and what size you need if you are interested.

Picture Time! For those with pictures of rides, events, meetings, etc., please feel free to email the Caliente Hog Webmaster at webmaster@calientehog.com.

When sending in pictures, please specify the date and the event (for example, HOG ride to Luckenbach, or Caliente Harley Swap Meet).

No children may be in the photo or background. Be mindful of your surroundings. Kevin
