Odds and Ends

Never to disappoint, F2 (Frank Knapp) lead 8 riders and 3 passengers to Savage's in Wimberley. The weather at KSU was 50 degrees and on the return trip the low 60s was welcomed. Due to a staff shortage, it took a while for everyone to get their order. But as always, the wait time was filled with conversation and getting to know the new members better. The approximate 150 miles round trip was safe with little traffic on our travel side. Well planned and again safe. We thank you F2 for time well spent. Jack
