### **Odds and Ends**

1/18/25 Mitch's Pirate Ride was a beautiful day could not have picked a better day for a ride just a little chilly in the morning but by the afternoon was just right. We made it to Toucan Jims with a total of 14 riders and one passenger (4 bikes and 10 trikes) all made it safe there and back. Lunch was good just a little slow getting it they said they are short on staff. Food was good we made it back to the dealer at around 2:30 all safe and sound. Thanks Mitch for a great ride and thanks to all, we stayed pretty tight on the roads made it a lot easier to ride sweep. SRC Lou
