February 6, 2025 (Thursday) - KSU 6:00 p.m. Frank LRC, Brad SRC. Ride out to Shifters. Tony will follow in his car with all the memorabilia. The purpose of the ride is to bring any unwanted Harley memorabilia to the restaurant to help with their theme. This restaurant continues to treat us like royalty and a little thank you to them is providing some stuff that we aren't really using anyway. If you would like to come out for the ride and have dinner, please join us.

February 9, 2025 (Sunday) - KSU 10:00 a.m. LRC: Frank (F2), SRC: Ken. Short ride so no scheduled gas stops currently on the ride map. Come to the KSU with full tanks. It will be KSD at the venue in case you want to partake in a mimosa or like beverage with your sweetheart. Unlike most rides, we have reservations (11:00). Odds and Ends

With our tremendous participation in the monthly social came an awesome number of people joining together to enjoy a wonderful ride with great food and conversation. We had 20 bikes make the trip with 4 cages following in tow. A total of 30 of our chapter brothers and sisters were there to overwhelm the 4-Way Bar and Grill in Lake Hills. The atmosphere was awesome, service was great (especially because they one cook for everyone and we all got a hot delicious meal. Special shoutout for Kevin for leading such a big group and keeping us together and not stretched out over 2 miles. Additional shoutouts to individuals that helped hold the lanes so we could all travel safely. I think this should be a staple in our routine going forward, as it was a great way to get know the new chapter members and also get in a quick ride. Looking forward to the next lunch at our next social gathering.
