Odds and Ends

Ride February 15, 2025 - It goes without saying it was brisk at KSU. In fact, it was cold, damp and a little fog was developing. But one bike, ten trikes and two passengers made the 116 miles to Floresville for lunch at Maverick's. The service and food were great. As always, the conversation was mixed but mostly focused to accessories for trikes and the pros and cons as Tony related his experiences. Thank the man above the sun started to warm things up, so the ride back was more pleasant. Good and safe ride by the LRC Katie! Jack.

Future Dates

Reminder: If you are planning to attend the Galveston rally, please lock in your reservations as soon as possible. Most of the chapter will be staying in League City. If you need more information, please reach out to any Road Captain.
