Odds and Ends

It was nice to see 12 Chapter members (including new member Justin - on his first chapter ride) on 6 Triks, 3 bikes and 1 cage, celebrate Independence Day in Comfort Texas on Saturday, July 4, 2026.

The day began with KSU at 7:00 AM for a short 52 mile ride from Caliente to Comfort. Lead by Warren and Swept by Diaz. Once there we all decorated our bikes in RED, WHITE and BLUE and took part in Comfort's small-town Independence Day Parade through Comfort's Historic District. The festive lineup included antique cars and trucks, creative floats, gleaming fire engines, a bubble throwing float and most impressive nine HARLEY DAVIDSON motorcycles. We were an instant hit with the kids, we tossed out more sugar than the entire Candy Crush factory.

After the parade we went for a bite to eat at "Shopping with Siobhain" which is owned by Siobhain Anders a meteorologist at KMOL News 4 San Antonio.

It was good eating and it was so nice catching up and laughing with all of our group. We all had a wonderful time being part of this Parade! It was the perfect way to kick off the 4th of July weekend. Thanks to Comfort Chamber of Commerce for having us! SEE YOU NEXT YEAR, hopefully more members can join us. Diaz

Thanks to those members that were at Caliente serving snow cones. The kids and adults alike enjoyed the cool treats. It was hot outside so they kept coming back for more. We kept serving until there was no more ice or yummy flavors to be had. We will have to re-stock our inventory for the next time. Diane
