Member Spotlight

Mark is one of our newest members

After spending six years in the U.S. Air Force in Abilene, Mark made his way to San Antonio. He has been riding for four years and recently bought a 2026 Nightster. One of his favorite rides is Scenic Loop. (Even through Grey Forest at 20 mph, Mark?) He is looking forward to riding to Big Bend National Park. His motto is 'Ride Forever'. Welcome to the Chapter, Mark.

Ken has been a member of the Chapter longer than most of us and has been riding for 52 years. He rides 2 Road King Police bikes - Mistress and Black Betty. One of his favorite rides is The Twisted Three Sisters. Someday he would like to ride Route 66 from end to end. Ken is a Road Captain and is willing to mentor new riders. We are thrilled to announce that he has recently volunteered to be the Chapter's Activities Officer.

Odds and Ends

Saturday 8/22 - For an August morning it was a beautiful day for a ride, so after the safety brief, we departed at 0800 with 3 bikes and 2 trikes. Rolling North to I35 and some Saturday morning construction (although not that bad). At 3009 we headed for Hwy 78. After a brief run in construction and the confusion it created for The Harley Navigation system, Jim took matters into Google's capable and off we went. The Gas Station was our first Photo. The were great smells coming from inside. That is looking like a future chapter ride. Next we were heading back to High School at Old Taylor High School. This is a unique use of a high school, there are over 170 shops and food trucks on the school grounds. Finally heading for the final stop, Gus's Pharmacy mural in Georgetown. As the temps climbed into the 100+ at this time, we headed in to the beast that is Metropolitan Austin. Even 4 wheelers were stopping for photos.

After parking in the shade it was 104F we decided to forgo lunch because it was only going to get hotter. 2 hydration stops later we completed the return to dealership. These days are the ones that stick out in your memories! Ron M.

Sunday 8/23 - We rolled out with 6 bikes, 4 trikes, and 1 cage holding 15 souls. We left at 8:00 AM at a cool 75° and zoomed to Lost Maples Cafe. They sat us right away. We ate too much!!! (as usual) and headed back, via Sabinal and Highway 90. We rode 160 miles. We hit the dealership at roughly 12:45 PM, just as the air was turning to soup at 97°. Thanks for riding. Dave.
