Odds and Ends

The morning air was much better than the morning of 4-18 as there was no rain and the temps were in the mid 70s and high around 81. We headed out with two bikes and 1 trike for the Fischer Store for Ken's photo op. Pete Hengstebeck who missed the Grand tour deadline decided to tag along and plans to register next year. So off to the Driftwood store followed by the Boyhood Home of LBJ in Johnson City. Next onto Deadman's Hole (google the story it is interesting). In Burnet we had a stop at the Highland Lakes Squadron Commemorative AF Aviation Museum and the Hill Country Motorheads Motorcycle Museum. Since Mama's restaurant burnt down, so on the pre ride Ken and Terri found Crazy Gal's cafe. The food and fellowship was great. We headed to the Castell General store which was busy with a fundraiser of their own. At this point it was KSD and Pete headed back to Kerrville, while Ken and I headed back to the house. In total 324 miles.

Respectfully submitted, Ron M.

To help in reaching our goal of being becoming a Chrome Chapter, we need at least 50% of our riders and passengers to have their miles recorded. If you have not sent your initial mileage in, please e-mail your name, last four digits of your VIN and a picture of your odometer, to miles@calientehog.com. We will consolidate them and send the list to Rick. Tracking your miles this way has another significant advantage, for every 5,000 miles you record H.O.G. will give you \$5.00 worth of points in the H.O.G. app that can be used on any purchase at any Harley-Davidson dealership. Thanks, Bob

Member Spotlight

Jose G. – I'm Joe Gonzalez riding since 2018. I ride a 2021 Billiard Red Road Glide. Road name: Snoop Dog. Bike name: Ruby Red. Favorite ride is Corpus and Lockhart! Bucket List: our honeymoon we never took. I'm 59 years married to Mama Margie for 19 years! Field Supervisor for Pilot Co., and driving a truck for 26 years! On my time off loving riding the Harley with my Mama Margie and rocking in our band "Grind".

My name is **Enrique Z.**, and I've been riding motorcycles for about 17 years. I've been a member of **H.O.G. and Caliente Harley-Davidson since 2014.**

My first Harley-Davidson was a **2003 Dyna**, followed by a **2005 Road King**. Today, I have two Harleys: my **2013 Road Glide — the orange one** — and my **2024 Tri Glide — the Smurf.** 😊

I really enjoy riding in groups, especially when I can ride with my wife. In 2023, my wife and I had an accident on our Road King. Since then, she hasn't felt very comfortable riding on two wheels. That's one of the reasons we decided to get the Tri Glide. I'm happy to say that she is enjoying riding again, and it has given us the opportunity to share that experience together once more.

I really enjoy being part of the Caliente H.O.G. group. Unfortunately, because of my work, I'm not always able to participate as much as I would like, especially on weekends. But whenever I have the opportunity, I really enjoy getting out and riding with the group.

One of my favorite motorcycle trips so far was in **2024**, when Towne and I rode to **Harley-Davidson Homecoming in Wisconsin**. We visited the Harley-Davidson Museum and the factory, and it was an incredible experience. On the way, we got

caught in some extremely heavy rain, but thankfully, God was watching over us and we made it through safely. That made the trip even more memorable.

One of my goals is to ride **from coast to coast and from north to south**, exploring more of the country with my wife and, whenever possible, with our H.O.G. family.

I'm looking forward to making many more miles, memories, and friendships with all of you.

Ride safe, and see you on the road!
