Odds and Ends

Subject: Ride Report – Caliente Harley-Davidson to Whizzerville Hall – August 24, 2026

On August 24, 2026, our group departed Caliente Harley-Davidson in San Antonio at 9:00 a.m. under sunny skies and a comfortable 65-degree temperature. Our group consisted of **nine trikes and five motorcycles**, along with our riders, passengers, and a support vehicle bringing up the rear.

Our route took us through Stockdale and Nixon, Texas, before continuing along the scenic back roads of East Texas. We eventually arrived at Whizzerville Hall in Mahan, Texas, where everyone enjoyed some delicious pizza, took pictures, and spent time visiting and enjoying the camaraderie that makes these rides so special. During the ride, we encountered a young deer along the side of the road that was attempting to get off the roadway. Everyone handled the situation exceptionally well, remaining alert and riding safely. It was great to see familiar faces out riding with the group and enjoying another day on two and three wheels. After our stop at Whizzerville Hall, we headed back toward Caliente Harley-Davidson in San Antonio. Along the way, riders began peeling off to head home.

Overall, it was a great day of riding, good food, beautiful weather, and fellowship with our fellow riders. Everyone enjoyed the trip, and we made another set of great memories together.

Thank you to everyone who came out and participated. We look forward to seeing everyone on our next ride! Ride Safe, Warren.
